DE LA

CAJA NACIONAL DE SEGURO SOCIAL

CORRESPONDIENTE AL AÑO

1944

LEYES Nos. 8433 - 8509

LIMA

PERU

Señores Consejeros:

De conformidad con lo dispuesto en el inciso c) del art. 20 del Reglamento Interno, someto a vuestra consideración la Memoria y Balance General de la Institución correspondientes al año 1944.

Las labores de la Caja, en el año a que se refiere esta Memoria, se han cumplido en forma satisfactoria, ampliándose los servicios asistenciales con el funcionamiento de tres nuevos establecimientos: los hospitales de Chocope y Arequipa y el Policlínico de Pisco.

Los serios inconvenientes derivados de la guerra han retardado el plan de construcciones de hospitales y polyclínicos que tenía proyectados la Caja. Sin embargo, venciendo muchas dificultades la Institución ha puesto en servicio 6 hospitales y 2 polyclínicos y continuará en breve la construcción de los hospitales de Cañete, Chincha, Oroya, Huariaca, Trujillo y Piura, de los cuales los dos primeros estarán expedidos en 1945.

Ingresos y Gastos

Son altamente satisfactorios los ingresos obtenidos en 1944, que superan en S/. 3'687.714.46 a los de 1943, según se vé en la siguiente comparación:

Segundo Instituto Regional de Administración y Organización de Hospitales

Del 3 al 16 de diciembre se realizó en Lima el Segundo Instituto Regional de Administración y Organización de Hospitales, con la concurrencia de alumnos y profesores de 16 países americanos.

La importancia de este certamen se puso de manifiesto por la calidad científica de muchos de los concurrentes y de los temas tratados. Así mismo, contribuyó al éxito de la reunión la circunstancia de haber podido ofrecer nuestro país, para que se dictaran los cursos y demostraciones prácticas, un Hospital como el Obrero de Lima, calificado por los profesores del Instituto como de primera clase.

El 6 de Junio el Consejo Directivo aceptó la renuncia que, con carácter de irrevocable, presentó el anterior Gerente de la Institución Dr. Edgardo Rebagliati, que participó de manera principal en la elaboración de la Ley de nuestro régimen y dirigió la marcha de la Institución en la difícil etapa de su organización, caracterizada —de manera preferente— por la ejecución de un plan de construcciones hospitalarias sin precedente en otros sistemas de seguridad social.

El personal de empleados ha colaborado con la Gerencia en forma eficaz en las labores, cada vez más exigentes, de la Institución; y en el servicio asistencial de Hospitales y Policlínicos todos los profesionales y servidores auxiliares se han esmerado en prestar a los asegurados la atención más eficiente.

Lima, Diciembre 31 de 1944.

Gerente-General.
